COURSE DESCRIPTION

This course is the most up to date and current course available and is designed as a an exam prep course for those who wish to take the certification exam so that they can be listed on the National Registry of Certified Medical Examiners (NRCME).

5 Separate Modules, 6 hours total.

This complete course as prepared so that all defined categories identified by the National Registry as being critical to the Certified Medical Examiner and specifically identified as areas to be tested, are organized separately and contain regulatory and advisory guidance for specifically defined conditions, their treatment, required testing and defined physical examination criteria.

Exceeds FMCSA core curriculum requirements established by the Federal Motor Carrier Safety Administration (FMCSA)!

The separate categories are organized as follows:

1. The Health Driver Physical and Certification
2. Regulations to Remember
3. Documentation
4. Certification Periods
5. Waiting Periods
6. Required Medical Clearance
7. Required and Recommended Testing
8. Counseling Requirements
9. Waivers, Exemptions & SPE
10. Disqualify Conditions (Temporary and Permanent)
11. Disqualifying Medications and Medications of Concern.

Included with this course:

1. 5 Modules, each lasting a little over an hour with section quizzes.
2. The NRCME Study Guide Workbook:
 - a. Allows you to follow along and review while preparing for your exam.
 - b. Parts that are bolded have actually appeared on the exam.
 - c. Includes an "Information Recall" section with 65 key areas to understand and remember to help you pass your exam.
 - d. 16 practice scenarios (available also within Module 5), to help bring it all together.
3. Access to greater than 200 practice questions to help prepare for the exam.
4. Three (3) actual timed (2 hours) 120 question practice tests.
5. Additional downloads include:
 - a. Course slide presentation
 - b. MCSA 5875 & 5876 forms
 - c. MCSA ITDM 5870 form
 - d. MCSA 5871 form
6. 3 Months use of DOTInsight Premium (our regs and guidance platform for medical examiners to help you review and begin performing real exams once listed).
