

Title: Nailing Medical Necessity and Creating Rock Solid Records

Presenter: Evan Gwilliam, DC

Description:

In this riveting presentation, Dr. Evan Gwilliam, certified coder and auditor, and Clinical Director for PayDC EHR software, will show you how to give payers, state boards, attorneys, and anyone else who wants to know exactly what they need. Finally feel like you know how to create records and provide care that won't be denied or refuted.

Objectives:

Create goals that support the care provided

Identify audit triggers

Learn where experts find the guidelines and rules they apply

Become proficient with the "Chain of Medical Necessity"
