Course Syllabus

Alzheimer's Disease: Treatment Approaches

COURSE OBJECTIVE

To educate healthcare providers with the information to understand the clinical aspects of managing patients with Alzheimer's Disease

STATEMENT OF PURPOSE

The purpose of this course is to aid the Chiropractic Profession by providing Chiropractors with information on the information to understand the clinical aspects of managing patients with Alzheimer's Disease

OVERVIEW OF COURSE

This course will provide Chiropractors with information on the clinical aspects of managing patients with Alzheimer's Disease .

COURSE OUTLINE

HOUR 1

- Describe the approved drugs used to treat patients with AD
- List the available drug treatments for secondary features of AD
- Discuss supplements and nonpharmacologic interventions used in managing symptoms of AD
- Review emerging therapies and areas of research for AD

PROGRAM OUTLINE

www.dchours.com

All of courses are presented in the following format:

- Each course is in the format of a narrated slide presentation. Each slide in the course has accompanying narration and presentation moves through the slides automatically.
- There is a timer at the bottom of the page that documents the time that the viewer is watching the course
- The course will automatically log all the hours that the doctor spends viewing the course.
- At the end of the course, when the timer runs down to zero, the viewer will be given a test that must be passed with a score of 80% to get credit for the course
- Information for each course is gathered from books, peer reviewed articles, and experience. All courses include references and courses are updated each year.
- Attendance is monitored by the software program. It logs and tracks all the time spent viewing the course.
- The licensee is allowed 6 months to complete a course.
- DC Hours.com maintains records of licensee completing a course of study for 7 years

LIFE[®]

University

January 9, 2019

Dear State Board of Chiropractic Examiners:

The Postgraduate Education Department of Life University is sponsoring the following program, "DC Hours."

Our Postgraduate Education Department accepts this seminar as viable postgraduate material. Attendance at the seminar is closely monitored and three forms of attendance verification are utilized: sign-in sheet, attendance verification form, and evaluation form.

Dr. Guy Annunziata, the instructor, is a postgraduate faculty member of Life University for the 2019 seminar year and is a recognized professional in the field.

The doctor of chiropractic degree program of Life University College of Chiropractic is accredited by the Commission on Accreditation of the Council on Chiropractic Education, 8049 N. 85th Way, Scottsdale, AZ 85258. Tel: 480-443-8877.

If any further information or communication is warranted, please contact me at 770-426-2753.

Sincerely,

Kathy Bannister

Director of Postgraduate Programs

TO WHOM IT MAY CONCERN:

I have known and worked with Dr. Guy Annunziata for many years. He is a highly recognized professional in the Field of Chiropractic that is well known for his support and advice to his fellow chiropractors.

I have had the pleasure of taking many online courses over the years from Dr. Guy through his company, DCHours.com, and highly recommend his services. His expertise in the profession and his attention to detail to every course he offers is nothing but an excellent example of his dedication to the Chiropractic profession.

If you need any additional information, please contact me.

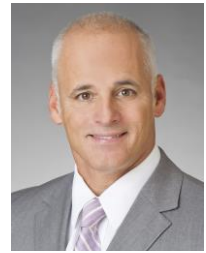

Best Regards,

Russell Lamboy, DC
