

SYLLABUS

Title: Chiropractic Neurology & The Vagus Nerve

**Dates &
Locations:**

Instructor: Dr. Stuart Humberg

CE Hours Requested: 12

I. COURSE OBJECTIVES

This program will enhance the doctor's knowledge of neurology and the vagus nerve. It will enable the doctor to diagnose and treat his patients with a better knowledge of how the vagus nerve affects a variety of aspects of the body and health. It will increase his ability to properly assess and evaluate the patient's functionality to better treat problems that affect the patient.
