

SYLLABUS

Sponsor: **Fetterman Chiropractic Events**
416 Prairie St.
Charlotte, MI 48813
Fetterman Chiropractic Events is a national chiropractic education organization specializing in chiropractic continuing education programs. Fetterman Events has a current membership of Chiropractors across the country of approximately 3000 doctors.

Title: Myofascial Disruption Technique

Date & Location:

Instructor: Dr. Brad Hayes, DC
(C.V. at end of syllabus)

CE Hours Requested: 6 – including 1 hour Pain & Symptom Management

I. COURSE OBJECTIVES

This program will enhance the chiropractors knowledge of his/her role in health and treating soft tissue issues in patients. It will teach the chiropractor an effective technique that will help the patient get back to functioning at an optimal level without pain. Research and studies will be presented to give evidence to the efficacy of myofascial treatments so that the doctor can perform and explain the process to the patient.

II. COURSE OUTLINE

Hour One	Upper Extremity Soft Tissue Work 1. Evaluation
Hour Two	Upper Extremity Soft Tissue Work 1. Diagnosis 2. Treatment Procedures & Protocol
Hour Three	Lower Extremity Soft Tissue Work 1. Evaluation
Hour Four	Lower Extremity Soft Tissue Work 2. Diagnosis 3. Treatment Procedures & Protocol

Hour Five	Pain & Symptom Management Pain Scales Protocol for treatments Rehabilitation
Hour Six	Mobilization Methods Manipulation Treatments Case Studies

III. DESCRIPTION

This program will involve a data projector, lecture and notes. The purpose is to provide the chiropractor with a better understanding of the neurological process and rehabilitation and it's relation to the spine.

PROGRAM DIRECTOR

Brad Hayes, D.C., is the instructor. See attached Curriculum Vitaes.

NOTIFICATION OF C.E. CREDIT

Fetterman Events sends out letters to the individual seminar attendees which certify the doctor's attendance. The letter includes information on location, dates, and approval numbers. Lists of attending doctors are available to the state licensing boards upon request. (A sample certification letter is attached)

ATTENDANCE MONITOR

For the online class: Adobe Connect online system is used. Attendees must log in with their name, email and password. The Adobe system records their attendance and Fetterman Events receives a report of their activity. At the end of the program, the attendees must fill out an evaluation indicating levels of knowledge gained. A sample report is attached.
