

SYLLABUS

Title: Medicare, Insurance & Coding

**Dates &
Locations:**

Instructor: Brad Hayes, DC

CE Hours Requested: 7

I. COURSE OBJECTIVES

This program will enhance the doctor's knowledge of current Medicare & Insurance requirements along with new ICD-10 updates being implemented now. This will give the doctor the knowledge of any existing and new requirements he must adhere to to comply with his documentation and coding. The doctor will learn the details on Medicare and how to properly adhere to the laws and regulations.
