CONTINUING EDUCATION

July 18, 2024

Office of Continuing Education
P. O. Box 1452
Spartanburg, SC 29304

Subject: Continuing Education Approval
The Season of Integrate Experience
Northglenn, CO
October 28, 2024

Enclosed is essential information regarding the program to be presented for **a total of 6 maximum CE hours** for licensure requirements.

Contained within this information are the instructor's credentials and course outline.

- Dony Epstein, D.C.

Based upon their credentials, education and experience the above-mentioned presenters have been approved by Sherman College of Chiropractic as post graduate extension faculty and qualified to present the information contained in the attached listed courses.

Attendance will be monitored at the door. Doctors are instructed to sign in at each time interval. At the conclusion of the program, Sherman College will send out attendance letters to the attending DCs. Each certificate includes the name of the program, the date, approval number and the number of hours of attendance.

Thank you for your consideration. Please let us know of any questions or additional information you may need.

Thank you,

Rozelle Foster

Course Title: **The Season of Integrate Experience**

Presenter: Donald Epstein D.C.

Date: Monday, October 28, 2024

Course Hours: 6 hours

Course Topic: **Principles and Practice**

Course Objective: To instruct chiropractors on the conceptual and clinical application of the Integrate Season of Wellbeing, which creates greater coherence in the Spinal and CNS as a metamodel of the EpiEnergetics.

Course Summary: Integrate will be presented in terms of the patient consultation, conversations, presentations from an Energetics perspective in terms of spinal and neural integrity, sensory motor response, and it being a higher order than the seasons of Discover, Transform or Awaken independently.

Program Format: **Lecture and practicum** with presentation slides, classroom style.

Outline: The order of topics will depend upon clinical presentations and questions of doctors in attendance

- Review of the Thermodynamics and Energetics of the Seasons of Well Being and Energetic Intelligences (self organizing - self referencing intelligences) individually and collectively.
- Review of levels of sensory motor responses characteristic of the above, in relationship to the Triad of Change - structurally, behaviorally and perceptually.
- Benefits of the various combinations of Integrate for the patient, and the spine, CNS and their emotional, mental, social and even high end social as spiritual influences.
- Relationship of the somatopsychic (Network wave) and spinal gateways to each of the above factors
- Physical spinal low force applications to initiate and support the anticipate patient outcomes for the Integrated Seasons
- Discussion of coherence, system theory, synergetics, and quantum neurology

Course Schedule:

Instructor: Donald M. Epstein, D.C.

9 AM – 11 AM:

Review and discussion of the Thermodynamics and Energetics of the Seasons of Well Being (Discover, Transform, Awaken and Integrate) and Energetic Intelligences (self-organizing – self-referencing intelligences) individually and collectively.

11:15 AM – 12:15 PM:

Review, discussion and demonstration of levels of sensory motor responses characteristic of the above, in relationship to the Triad of Change - structurally, behaviorally and perceptually. This will include an introduction to the manner in which healing occurs as perceptual, behavioral, and structural with dynamics and outcomes.

1:45 PM – 3:15 PM:

Discussion and demonstration of the benefits of the various combinations of Integrate for the patient, and the spine, CNS and their emotional, mental, social and even high end social as spiritual influences. This is in relationship to the discussion as Integrate applies in practice and problem solving, communication and optimization in practice in regard to the healing and wellness educational role of the Doctor of Chiropractic.

Review and discussion of the relationship of the somatopsychic (Network wave) and spinal gateways to each of the above factors

3:30 PM – 5 PM:

In depth exploration and demonstration of physical spinal low force applications to initiate and support the anticipate patient outcomes for the Integrated Seasons.

Systematic review of coherence, system theory, synergetics, and quantum neurology. This is integrated into the topics discussed and continued as individual and guided group discussion.

The Season of Integrate Experience

Donald M. Epstein, D.C.

Northglenn, CO - October 28, 2024

Following the NetworkSpinal Awaken Care Experience, learn and experience the conceptual and clinical application of the Integrate Season of Wellbeing, which creates greater coherence in the Spinal and CNS as a metamodel of the EpiEnergetics.

Integrate will be presented in terms of the patient consultation, conversations, presentations from an Energetics perspective in terms of spinal and neural integrity, sensory motor response, and it being a higher order than the seasons of Discover, Transform or Awaken independently.

Learn how Integrate applies in practice and problem solving, communication and optimization in practice in regard to the healing and wellness educational role as a Doctor of Chiropractic.

Who may attend

Open to Chiropractors and Chiropractic Students who have completed 1 Awaken Care Experience or 2 Transform Care Experiences, or 1 Transform Care Experience and a Transform Care Practicum after 2018.
