

# **Documentation Made Easy**

**3 “Online” Hours**

**Thursday, October 14, 2021**

**2-5 PM EDT**

Faculty

**Mark Studin DC, FASBE(C), DAAPM, DAAML**

**Don Capoferri DC, FSBT, DAAML**

Module 1 – Pitfalls in current history, past history, accident history, and causality reporting. Utilizing “patient completed forms” as a springboard to efficient and complete reporting.

Module 2 – The utilization of evidence-based macros for compliance and necessity in both EMR and paper documentation. Trauma-based documentation vs. non-trauma documentation

**Total Hours: 3**

**This is a “live” Online Webinar with 2-way communication and real-time question and answers**
