Whole Health for Pain and Suffering: Osteoarthritis*35236/ 18.BC.MA.4779WHPAINTAPING.F***Program Release:** February 12, 2018 **Program Expiration:** February 12, 2021**Place**

This is a virtual training via Talent Management System (TMS).

Purpose Statement

This web based Whole Health education program is designed to support any VA clinician who works with patients who experience pain. Participants will learn about evidence-informed, safe, and effective non-pharmaceutical approaches to pain care. The program is built around patient vignettes and explores the role of self-care approaches, such as nutrition, physical activity, sleep, and interpersonal relationships. Particular emphasis is given to mind-body approaches and ways to cultivate mindful awareness. Participants will learn about research related to a broad range of complementary and integrative health approaches, including acupuncture, dietary supplements, and manual therapies. Throughout this video series, clinician self-care, burnout prevention, and enhancing resilience are also emphasized. The videos consist of didactic classroom teaching as well as faculty interview focusing on the each subject area. Each video is accredited separately. The videos in the series include: Chronic Pain, Headache, Mind-Body Skills I, Mind-Body Skills II, Self-Care, Osteoarthritis, and Neck and Back Pain.

Target Audience

Physicians, Nurses, Pharmacists, Dietitians, Certified Counselors, Psychologists, and Social Workers.

Outcome/Objectives

At the conclusion of this educational program, learners will be able to:

1. describe how the PHI can be used to guide the development of a personal health plan in a patient with chronic pain;
2. list 3 ways that diet can influence or modify pain signals;
3. list 5 dietary changes that are consistent with the anti-inflammatory diet; and
4. give examples of possible exercise prescriptions for patients with osteoarthritis.

Registration/Participation in the Activity Procedure

1. Length of course: 1 hour
2. Review EES Program Brochure
3. Attend and participate in 100% of program activity
4. Complete Post Test Exam at a minimum passing score of 80%
5. Complete Program Evaluation **no later than** 30 days after taking the training.

For Enduring Material

It is not necessary to register in TMS for any enduring material—registration is only required for a live activity. To access an enduring material course, please navigate to the course and click “Start Course”

Instructions for Completing Posttest

1. Log in to TMS.
2. If the program is live and you have registered for the course, search for the program in the My Learning pod. You can click on the word “Filter” in the upper right corner of the pod. That will give you keyword and other search filters.
3. Click the “Link to Posttest” if the Posttest doesn’t open automatically
4. *Be sure you have completed all the content objects listed before the posttest first
The Posttest will open in a separate window.
*Note: If you don’t see the new window, check behind other open windows.
5. Complete the Posttest. Once submitted, you will be directed to a screen which provides your percent score for the test, and indicates if it is a passing score. Note your score and close the window.
6. Click “Return to Online Content Structure.”
7. Once you have passed the Posttest with a score of 80% or better, you have completed your Posttest requirement for this course, and should see a green check mark and completion date next to the Link to Posttest. (Note: If you did not achieve a passing score, you can retake the Posttest using the same Posttest link contained in the TMS Content Structure).

Instructions for Completing Evaluation in TMS to Access Accredited Certificate

Please note: Program evaluations must be completed within 30 days of the conclusion of the program in order to receive a program certificate

After the program is over, you must complete the self-certification in TMS. If you did not register for the program, the TMS administrator will reconcile the registration list and mark you complete. You must still complete the evaluation before you can receive your certificate.

1. Log in to TMS
2. Locate the course on your My Learning
3. **For Enduring Material:** Click on Continue Course
4. **For Enduring Material:** Be sure you have completed all the objects
5. **For Enduring Material:** Click on the Self-Certification and self-certify, if appropriate
6. Locate the pending evaluation on your My Learning in the Due Later section, under course title.
7. Click on “Start Course Survey”.
8. Complete evaluation content and click “Submit”.
9. Click “Return to Online Content Structure.”
10. Follow the below instructions to access your accreditation certificate.

ACPE considers credit as a statement of credit instead of a certificate of credit

To access your accredited certificate in TMS, please follow the steps below:

1. From the Home screen in TMS, click on “My History.”
2. Hover the mouse over the title of the program, and click “View Details” in the popup window that appears. DO NOT click on the “Print Certificate” here – this will give you the generic TMS certificate.
3. In the Completed Work Details screen, you should see a section named “Accreditation Details.”
4. Click the “Print Accredited Certificate” button next to your requested Accreditation.

Your Accredited certificate should appear on the screen for you to save or print.

Disclosure Statement

The VA Employee Education System (EES) must ensure balance, independence, objectivity, and scientific rigor in all of its individually sponsored or jointly EES sponsored educational activities. All prospective faculty and planning committee members participating in an EES activity must disclose any relevant financial interest or other relationship with: (a) the manufacturer(s) of any commercial product(s) and / or provider(s) of commercial services discussed in an educational presentation, and (b) any commercial supporters of the activity. Relevant financial interest or other relationship includes, but is not limited to, such things as personal receipt of grants or research support, employee or consultant status, stockholder, member of speakers' bureau, within the prior 12 months. EES is responsible for collecting such information from prospective planners and faculty, evaluating the disclosed information to determine if a conflict of interest is present and, if a conflict of interest is present, to resolve such conflict. Information regarding such disclosures and the resolution of the conflicts for planners and faculty shall be provided to activity participants. When an unlabeled use of a commercial product or an investigational use not yet approved by the FDA for any purpose is discussed

To learn more about EES and its programs, products and services, visit vaww.ees.lrn.va.gov (VA Intranet) or call the EES Customer Service Center at 1-877-EES-1331 or EESCSC@va.gov

during an educational activity, EES shall require the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

The faculty and planning committee members reported that they had no relevant financial relationships with commercial entities in any amount that occurred within the past 12 months that create a conflict of interest.

This activity includes no discussion of uses of FDA regulated drugs or medical devices which are experimental or off-label.

* The ACCME defines “relevant financial relationships” as financial relationships in any amount occurring within the past 12 months that creates a conflict of interest.
