

FCPA's November 18th - 20th, 2022 Zoom Virtual CE Seminar.

As the number one chiropractic association focusing on expanding chiropractic laws in Florida; FCPA offers many important services to the modern DC, including exceptional continuing education classes. Chiropractic continuing education is one of the paramount functions of the FCPA.

FCPA's CE seminars focus on expanding chiropractic education and FL chiropractic rights as a doctor so DCs can work side by side with MDs and DOs

We have hosted over 30 major Continuing Education seminars and numerous minor ones in Florida in the past 10 years. Attendance has varied from 300 to 900 attendees.

The classes at majority of our seminars vary, but are all related to what the modern DC needs to know in order to provide excellent chiropractic care to their patients.

Specific areas of education would include, but not be limited to: Acupuncture, HIV/Aids, Nutrition, Ethics and Boundaries Risk, Medical Errors, Documentation, Coding and Recordkeeping and numerous general classes ranging from Chiropractic Technique, Clinical Interventions, Principles of Chiropractic, Orthopedics and Neuromusculoskeletal Medicine and many others.
