A. COURSE / SEMINAR TITLE

Chiropractic Coding Curriculum

B. DESCRIPTION OF THE COURSE

The Best Practices Academy Chiropractic Coding Curriculum is the first program of its kind for coding education developed exclusively for chiropractors and their insurance CA's and office managers.

In our increasingly stringent insurance environment, you have to meticulously follow guidelines to get paid. The chiropractic profession has a tremendous need for a specialized educational program leading to a certification as a chiropractic coder. We are a profession of doctors and billers with very few certified coders. It is time for Doctors of Chiropractic to code, bill, and receive proper reimbursements for the work they perform. Join us in a chiropractic coding and payment revolution today!

C. EDUCATIONAL OBJECTIVES

Upon completion of this seminar, participants are expected to be able to:

- Attendees will learn the documentation requirements for proper coding of Evaluation & Management services.
- Attendees will gain an understanding of the correct hierarchy or sequencing of diagnostic codes on the CMS 1500 claim form.
- Doctors will learn how to document to support their ICD-10 diagnosis
- Attendees will appreciate the linking of CPT and ICD-10 codes for correct coding on claims
