

A. COURSE / SEMINAR TITLE

ICD-10-CM Online Study Program

B. DESCRIPTION OF THE COURSE

ICD-10-CM will be one of the most expansive changes in the U.S. healthcare delivery system. This seminar will introduce both doctors and their staff to the correct coding concepts and clinical documentation requirements for a successful implementation of this new coding language. Case studies will be demonstrated on how to correlate what doctors see clinically into the most correct and specific diagnosis coding.

Welcome Presentation to ICD-10-CM (14:28 minutes)

This presentation discusses how to prepare for ICD-10-CM

Module 1- Introduction to ICD-10-CM (30:47 Minutes)

This module lays the foundation for proper diagnosis coding.

Topics:

- The language of coding
- Chiropractic coding
- ICD-10-CM Framework
- Differences between ICD-9 and ICD-10
- CMS Claim Form
- GEMS-how to translate from ICD-9 to ICD-10
- Coding guidelines
- Coding quiz

Module 2- Specific Documentation for ICD-10-CM (24:05 minutes)

This module discusses specific ICD-10-CM documentation guidelines

Topics:

- Specific documentation requirements

- Site
- Laterality
- Phases of Injury
- Episode of Care
- Documentation of conditions

Module 3- A Clinical Examination & Documentation of ICD-10-CM (1:54:43 minutes)

This module goes into great detail on proper examination flow and documenting testing results.

- ICD-10-CM terminology
- History & Exam Goals
- History components
- Examination components
- Tissue differentiation
- Orthopedic testing
- Correct documentation of orthopedic test results
- Case Examples

Module 3-B Clinical Examination Neurological for ICD-10-CM (8:37 minutes)

This module discusses the importance of performing and interpreting neurological test results for ICD-10-CM.

- Motor Evaluation
- Sensory Evaluation
- Deep Tendon Reflexes
- Correlating tests with ICD-10 codes

Module 4- ICD-10-CM for Spondylosis (13:57 minutes)

This module discusses how to code for spondylosis

- Review of ICD-10-CM documentation for spondylosis

- Examination results that equate to a spondylosis diagnosis
- Review of all pertinent ICD-10-CM spondylosis diagnosis

Module 5-A Disc Pathology Cervical Spine for ICD-10-CM (18:37 minutes)

This module discusses all aspects of cervical spine disc pathology.

- Review of pertinent cervical anatomy
- History and examination to diagnosis disc lesions in the cervical spine
- ICD-10-CM cervical spine disc pathology codes
- Case examples

Module 5 – B Disc Pathology Lumbar Spine for ICD-10-CM (39:07 minutes)

This module discusses all aspects of lumbar spine disc pathology.

- Review of pertinent lumbar spine anatomy
- History and examination to diagnosis disc lesions in the lumbar spine
- ICD-10-CM lumbar spine disc pathology codes
- Case examples

Module 6 – ICD-10-CM for Facet Syndrome (14:03 minutes)

This module discusses how diagnosis facet syndrome in both cervical and lumbar spines.

- Facet syndrome anatomy
- Innervation to the facet joints
- Orthopedic tests to confirm a facet diagnosis
- Case examples

Module 7 – ICD-10-CM for Radiculopathy and Sciatica (7:39 minutes)

This module reviews the different codes to use for radiculopathy and sciatica

- Vocabulary changes in ICD-10-CM
- Code categories for Radiculopathy and Sciatica
- Sites

- Laterality
- Case examples

Module 8 – ICD-10-CM Coding Hierarchy (7:40 minutes)

This module discusses the correct ordering of ICD-10-CM codes on the CMS claim form

- Neurological
- Structural
- Soft-Tissue
- Pain

Module 9 – ICD-10-CM for Medicare (13:04 minutes)

- Review of Medicare tier system pertaining to diagnosis codes
- Medicare coding hierarchy
- Diagnosis requirements for each level of CMT procedure code

C. EDUCATIONAL OBJECTIVES

Upon completion of this seminar, participants are expected to be able to:

1. Attendees will learn the structural differences between ICD-9-CM and ICD-10-CM
2. Attendees will comprehend how to use the General Equivalent Mapping System (GEMS), to start the process of finding the correct ICD-10-CM code
3. Doctors will have a refresher section on the correct interpretation and documentation of orthopedic and neurological tests.
4. Doctors will also gain an understanding of how to determine a mechanism of injury
5. Staff will learn how to find the most specific mechanism of injury code using Chapter 20: External Causes of Morbidity

6. All attendees will be provided the knowledge on how to make the transition from ICD-9-CM to ICD-10-CM

D. DESCRIPTION OF TEACHING METHODS USED

This seminar/course will utilize:

Recorded Video (total of 3 hours 52 minutes)

Supplemental Materials: ICD-10 Implementation Plan (10 minutes)

Online quizzes and a comprehensive exam will be given in order to ensure the educational objects were successfully met.

E. COSTS

This course may be purchased for \$199.

F. REGISTRATION

To register please visit: <https://grow.bestpracticesacademy.com/> . Find the course in the 'Catalog'.

G. INSTRUCTORS

The course will be taught by the following instructor(s) below. Please click the instructor name for a full biography.

Ted A. Arkfeld DC, MS, CPC

[Curriculum Vitae](#)

H. REFUND AND CANCELLATION POLICIES

Refund Policy: Online Courses require payment in full before access is given to the course. Online Courses are non-refundable and non-transferrable.

I. LOCATION, DATE AND TIME

The course is held online and on-demand, 24/7 via the Best Practices Academy online learning system at <https://grow.bestpracticesacademy.com/>.

J. PACE RECOGNITION STATUS

Best Practices Academy is recognized by the PACE program of the Federation of Chiropractic Licensing Boards.

PACE Approved States: a complete list can be found at www.bestpracticesacademy.com

K. NUMBER OF CREDIT HOURS & REQUIRMENTS FOR OBTAINING CREDIT

This course is approved for four (4) hours of continuing education credit through PACE (see approved states in section J). Upon successful completion Best Practices Academy will directly report the credit hours received to the PACE organization within 30 days along with providing the participant with a verification letter by email. In order to receive the full four (4) hours, the participant must:

- Attend and Participate in the complete course. Technology capabilities track online course attendance.
- Complete the Continuing Education Verification Form
- Pay all tuition fees for the course as stated above
- Provide a current email address for verification letter
- Complete the Course Evaluation Form

L. COMMERCIAL RELATIONSHIPS

This course is sponsored by Best Practices Academy and the National Academy of Chiropractic Coders.

M. PRIOR SKILL, KNOWLEDGE OR EXPERIENCE NEEDED

General knowledge of ICD-10-CM is helpful, but not required.
