## PACE Pre-Check Expedited Course Submission for KENTUCKY

### INSTRUCTIONS:

The Kentucky Board of Chiropractic Examiners accepts PACE recognition as satisfying the requirements of the Board for purposes of the licensure renewal process. However, courses must still be individually approved by the Board.

In lieu of Kentucky's Continuing Education Application, PACE Providers may submit the attached form along with the appropriate application fees. Applications must be received by the Kentucky Board 60 days in advance of the course. An online course will remain approved for 1 calendar year from a date of the event providers choosing so long as that date is no earlier than 60 days from the date the Board received the submission for approval. All applications for online CE approval must be submitted through PACE. Kentucky law allows for a maximum of 8 hours of CE credit to be earned per day and no CE credit can be given for philosophy or practice management. To receive full CE credit, attendance data must be uploaded to the PACE database within 30 days of course completion.

The fee for application of a CE course module is as follows:

-Live Events Only -A minimum fee of \$25.00 for a live one-time event of 16 hours or less. Any event over 16 hours will be \$2.00 per requested credit hour with a maximum fee of \$100.00. For events with multiple dates and locations there will be an additional \$25.00 fee.

-Online Events Only- A minimum fee of \$25.00 for a live one-time event of 16 hours or less. Any event over 16 hours will be \$2.00 per requested credit hour with a maximum fee of \$100.00. The online event will remain approved for 1 calendar year.

-Live Event That Will Also Be Recorded To Be Used As Online CE – A minimum \$50.00 for an event of 16 hours or less. Any event over 16 hours will be \$2.00 per requested credit hour with a maximum fee of \$100.00. The online event will remain approved for 1 calendar year.
