

PACE Pre-Check Expedited Course Submission for Tennessee

INSTRUCTIONS:

The Tennessee Board of Chiropractic Examiners accepts PACE recognition as satisfying the requirements of the Board for purposes of the Licensure Verification process. However, online courses must still be individually approved by the Board.

PACE Providers must submit the attached form for online courses at least 30 days prior to offering the course for credit in Tennessee.

To receive full CE credit, attendance data must be uploaded to the PACE database within 30 days of course completion. Attendee certificates **MUST** include the PACE logo and electronic certificates must be in a PDF or image format.
